

AgLearn

Did You Know?

AgLearn is recognized as the leading Learning Management System across the Federal Government.

AgLearn has over:

- + 140,000 learners
- + 6,000 online courses
- + 15,000 online books
- + 3M online courses delivered

Certifications, Professional Development Units, accreditations and college credit courses.

Discretionary courses alone provided USDA cost avoidance of \$7.8 M in FY09.

Recognized in FY09 by OCFO for cost efficiency.

Recognized by Chief Learning Officer (3/09) & Government Executive Magazine (11/08) for "Best Practices."

Winner of Industry awards as selected by its peers.
